

481—66.4(135C) Validation review. Within 30 calendar days of receiving the facility's self-assessment, the department will conduct a scheduled validation review. During the validation review, the department will apply the same quality management criteria used by the facility in the self-assessment. The validation review will include an assessment of those requirements fundamental to health, safety, welfare and rights of the persons served by the facility.

66.4(1) Following a participating facility's validation review, the department will submit to the facility a quality review report. The quality review report will examine findings in relation to the quality management criteria.

66.4(2) Following the receipt of the quality review report, each participating facility must submit an improvement plan within 30 calendar days.

66.4(3) A participating facility that fails to submit an improvement plan within 30 calendar days shall be subject to a standard survey.
